

NARRATION: WESTERN SCHOOL OF HEALTH & BUSINESS CAREERS
PITTSBURGH Word Count 352

****Are you ready to prepare for an exciting career? -- To learn new skills? – And to have an opportunity to turn your ambition into a rewarding future? Western School of Health and Business Careers can help you get there.**

Conveniently located in the heart of downtown, our Pittsburgh campus is part of the city's cultural and business districts. It is close to the main bus line and easily accessible with parking facilities that are within walking distance of the school.

Western School is designed to help our students achieve their highest potential. You can acquire the skills you need for a rewarding career through hands-on training working with industry current technology with well-qualified faculty to help guide you.

Specialized degree and diploma programs are available in a variety of healthcare fields.

With this healthcare training, you can learn the skills needed to become a valued member of a health care team, in positions like Anesthesia **Technologists**, who assist Nurses and Physicians in surgical suites with equipment, supplies and patients. **Diagnostic Medical Sonographers**, who use medical ultrasound equipment to aid in the evaluation of patients' organ systems. **Radiographers** who administer the diagnostic x-rays, and process the film, or **Medical Assistant Specialists** who learn to prepare patients for different types of examinations and treatments. And **Massage Therapists**, who use a variety of techniques, which may be applicable in clinical settings or private practice.

If you think **Business Administration** is where it's at, anticipate possible career opportunities in accounting, business management, or sales and marketing while as a **Paralegal Specialist** you could analyze legal material for internal use, maintain reference files, and conduct research for attorneys.

A **Veterinary Technology** diploma could help give you the opportunity to work side by side with animal experts or veterinarians. Or for those with an interest in the foundations of law enforcement and criminology, a **Criminal Justice** profession could be investigated.

Exciting employment opportunities could lie ahead. Find out today if you're a candidate for acceptance and have an opportunity to turn your ambition into a rewarding future at Western School of Health and Business Careers
